The Olympic Torch Relay is coming to Clarington!!

On Wednesday December 16th, the Olympic Torch Relay will weave its way through the streets of Clarington and we want everyone in Clarington to "catch the spirit" of the Vancouver Olympics! The Torch Relay will pass through Orono and Newcastle before moving onto Bowmanville where the Torch bearers will have a 30 minute rest stop at the Garnet B. Rickard Recreation Complex. We want to see your Olympic Spirit! Grab your brightest red and white garb or your team jersey and your Canadian flag and come on down to Rickard Recreation Complex at 3:00pm to Cheer on the Olympic Flame!

It will be your opportunity to show your support for Clarington's own snowboard sensation Matt Morison, medal contender in Parallel Giant Slalom, by signing the "GO MATT GO" banner or you can "Give Matt a Hand" by personalizing your own hand message to Matt!

Congratulations

Brent Clemens was selected to carry the Olympic Torch on it's way to 2010 Olympic Games in Vancouver. He will carry the flame on Dec. 16th, just east of his original Hampton home, north from 25 Harmony Road to Park Lane.

Stephanie Axford was honoured Nov 25th when she was inducted into the Durham College Sports Hall of Fame. She was a member of the First varsity women's soccer program in 1990. She set several athletic records while attending Durham College Graphic Arts Program.

Give Your Children or Grandchildren the Gift of Life.

With the season of gift giving quickly approaching, trying to find the right gift for your children or grandchildren can be a challenge. You can have a tough time sifting through the newest trends and fads; this week it may be a new pop star, last week it was a new cartoon character... One gift that will last for many years is a life insurance policy. In fact, giving a gift of a life insurance policy to your grandchild may be one of the most significant things you do during your lifetime. He or she may not understand at the time how important the gift is, but should grow to appreciate it in the future. There are many reasons why a life insurance policy can be an excellent gift idea, the least of all being its' affordability; the younger the child's age, the lower the premiums. If illness or injury affect a child's ability to purchase life insurance later in life, coverage purchased now will continue to provide protection, even if health issues change. And lastly, life insurance can be the foundation for a strong financial plan. The child may be able to borrow against the accumulated cash value (with interest charged) to pay for future expenses. While loans decrease death benefits and cash surrender values, the proceeds can be used for important financial expenses such a college or university education or the purchase of a home. Why not take the guesswork out of your gift giving? Life insurance is a gift that will last a lifetime.
