You can register your child if they were born in 2005 or earlier (U19 available). Make sure to register your child early, there are limited spots available!

Digging out from Winter:

The Hampton Community Association is asking for anyone who may be interested in shoveling snow and ice away from the front and back steps of the hall as needed. We often have both children and Seniors using the building, so it's important to keep these entrances clear. High school students can do this to earn community hours! Please contact Amanda Townson for details: 905.263.2364.

We would also like to remind our community of the importance of keeping our sidewalks clear of snow and ice - or the municipality can issue a fine. Also, please don't park your vehicles across the sidewalk. Not only is this against the law, but recently a child was nearly seriously injured because of this kind of obstruction.

Looking for Daycare? Full and part-time spots are available! Please call Amanda Townson at 905.263.2364

Prayers & Condolences:

Our Prayers go out to Rita Craig, Don Cochrane and Anne Muizelaar.

Our Condolences go out to the Adcock family as we need to apologize to them for putting Don's name on the prayer list last month. Don had already passed away on November 5th, 2009. Our deepest sympathies go out to his wife Moana and family. We also send out condolences out to Ron Goodchild's family on his passing a few short weeks ago. Our sympathy goes out to you all.

The Adcock Family has asked that we include a thank-you note to express their heartfelt thanks to friends, neighbours, and church families for their many acts of sympathy and kindness to them at the time of Don's passing. Prayers and support during his illness and afterwards. Moana and family thank-you all from the bottom of their hearts.
